Benefit (TT)

Ergonomic anti-slip handle, for a better product usability during the usage

Backlit LED display with speed indication and time of use, for the maximum control of the processings

Nine speed levels and Turbo function manageable by the user-friendly control panel, to guarantee high performance

"Smooth Start" system, for the perfect blending efficiency of ingredients and less spots

Maximum versatility thanks to the three type of stainless steel accessories, easily stowable in the personalized Smeg fabric bag
